PGY-1 Pharmacy Residency Program

Jersey City Medical Center | RWJBarnabas HEALTH

OPPORTUNITY IS YOURS AT JERSEY CITY MEDICAL CENTER

Overview of Jersey City Medical Center

Jersey City Medical Center is located on a 15-acre campus overlooking the New York Harbor and Liberty State Park. The hospital serves as a regional referral, with 18,000 admissions and over 80,000 emergency room visits each year. We are a major teaching facility, offering diverse Medicine Residency Programs and education for Nursing and Allied Health.

Regional Trauma Center
Comprehensive Cardiac Center
State-designated Stroke Center
Perinatal Intensive Care Center
Level III Neonatal Intensive Care Unit
Regional Orthopedic Institute

Mission, Vision and Values Statement

Our mission is "**ENHANCING LIFE**" and it is supported by the Four Pillars: Patient Safety, Clinical Quality, Satisfaction, and Economic Health. As part of the RWJBarnabas Health Pharmacy Enterprise, the Pharmacy Department is committed to providing progressive, high quality, patient-centered, cost effective pharmacy services across the continuum of care in the dynamic healthcare landscape. The following 3 words guide our vision:

ELEVATE | EXTEND | REDEPLOY

Purpose of the Residency Program

PGY1 pharmacy residency programs build on Doctor of Pharmacy (Pharm.D.) education and outcomes to contribute to the development of clinical pharmacists responsible for medication-related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY2) pharmacy residency training.

The PGY-1 Program at Jersey City Medical Center is fully accredited by ASHP. There are two PGY-1 positions available and the following rotations:
