

PUBLICATIONS

Reviews

Eltoukhy HS, Sinha G, Moore CA, Gergues M, Rameshwar P. *Secretome within the bone marrow microenvironment: A basis for mesenchymal stem cell treatment and role in cancer dormancy*. *Biochimie*. 2018 Dec;155:92-103. PMID: 29859990

Sandiford OA, Moore CA, Du J, Boulad M, Gergues M, **Eltoukhy HS**, Rameshwar P. *Human Aging and Cancer: Role of miRNA in Tumor Microenvironment*. *Adv Exp Med Biol*. 2018; 1056:137-152. PMID: 29754179

Eltoukhy HS, Sinha G, Moore C, Sandiford O, Rameshwar P. *Immune Modulation by a Cellular Network of Mesenchymal Stem Cells and Breast Cancer Cell Subsets: Implication for Cancer Therapy*. *Cellular Immunology*. 2018 Apr; 326:33-41. PMID: 28779846

Eltoukhy HS, Sinha G, Moore C, Guiro K, Rameshwar P. *CXCL12-Abundant Reticular (CAR) Cells: A Review of the Literature with Relevance to Cancer Stem Cell Survival*. *J Cancer Stem Cell Res*. 2016; 4:e1004. DOI: 14343/JCSCR.2016.4e1004

Abstracts

Kang M, Suda N, **Eltoukhy HS**, Kothadia S, Patel K, Dominguez YC, May R, Walther S, Kothari N, Feurdean M, Sutherland A. *Palliative Care Consult in Non-ICU Patients: An Unmet Need*. *Chest*. 2016 Oct 1;150(4_S):950A

Eltoukhy HS, Weiss SH. *Screening an Asymptomatic Urban Population with Colonoscopies: A Retrospective Analysis Comparing Ethnic/Racial Groups*. Presented: 2012 Cancer Summer Student Research Program Symposium, New Jersey Medical School.

Eltoukhy HS, Weiss SH. *Characterization of Two Prospective Cohorts for their Use in a Bio-Specimen Repository at NJMS*. Presented: 2011 Cancer Summer Student Research Program Symposium, New Jersey Medical School.

PRESENTATIONS

Hemolytic Anemias 09/2019
Presented: Hematology Lecture Series for Internal Medicine Residents, RWJMS

Eltoukhy HS, Sinha G, Rameshwar P. *CXCL12-Abundant Reticular Cells in Support of Breast Cancer Stem Cells: Implication for Cancer Survival in Bone Marrow*. 05/2017
Presented: 2017 Department of Medicine Research Day, New Jersey Medical School.

Eltoukhy HS, Sinha G, Rameshwar P. *Chemosensitization of Dormant Breast Cancer Stem Cells by Dual Inhibition of g-Secretase and Notch*. 05/2016
Presented: 2016 Department of Medicine Research Day, New Jersey Medical School.

Kang M, Suda N, **Eltoukhy HS**, Kothadia S, Patel K, Castro Y, May M, Walther S, Kothari N, Feurdean M, Sutherland A. *Palliative Care Consult in Non-ICU Patients: An Unmet Need*. 05/2016
Presented: 2016 Department of Medicine Research Day, New Jersey Medical School.
