

Resident/Fellow Retention Program

Program Basics

RWJBarnabas Health is offering a Resident/Fellow Retention Bonus to residents and fellows that choose to commit early to a position within our network in New Jersey.

Who is Eligible?

2023 and 2024 Residents and Fellows are able to apply.

Specifics

RWJBarnabas Health will pay residents or fellows a monthly stipend during their final year of training for early commitment to join our medical group. Physicians must commit to working within our health system for 3 years. The stipend can be used for whatever purpose the physician chooses – whether student loans, rent, or other living expenses.
