2025 CPT® Coding Changes

RWJBarnabas Health will be offering a 2025 CPT® Coding Program presented by Jean Buble, Senior Vice President Case Management, HIM and CDI. Join us for lunch at the Lobster Shanty in Point Pleasant, NJ on Wednesday, February 5, 2025 from 11:00 am - 1:00 pm as we highlight the most important CPT Coding changes and their impact for the physician offices in 2025.

The 2025 CPT Coding Updates reflect advancements in contemporary clinical practice to ensure the code set fulfills its vital role as the trusted universal language of medicine for clinicians.

Key updates in the CPT 2025 code set include:

- Overall there are 420 updates in the CPT 2025 code set including- 270 new codes, 112 deletions, and 38 revisions
- The CPT Code set continues to expand in new areas of medicine with proprietary laboratory analyses assigned to the largest proportion of new codes (37%), mostly for novel genetic testing.
- Additionally, Category III CPT Codes for Emerging Medical Services account for about a third of new codes (30%).
