

Kindness Campaign

#KindnessStartsWithYou

A community-wide initiative to promote positive behavior among our youth

The Kindness Campaign is an anti-bullying initiative. It aims to spread positive vibes and show kindness to decrease negative behavior. Toms River Regional School District is implementing kindness lessons into its curriculum, and CTC is bringing kindness into the community with your help.

Please contact Amy Carreno, Toms River CTC Manager, with questions. Return the completed form to amy.carreno@rwjbh.org
