

IFPR–Rutgers Collaborative Research Inquiry Form

The RWJBarnabas Health Institute for Prevention and Recovery (IFPR) and Rutgers Addiction Research Center (RARC) Research Steering Committee, which is made up of leaders from IFPR and RARC, meets monthly to review inquiries and hear presentations. You will receive further information from the Steering Committee about next steps after you submit the form. We thank you for your interest in collaborating and shared commitment to curiosity, vigilance and innovation as we work to build and sustain a healthier New Jersey.

Note: this document is for investigators who are seeking to partner with RWJBarnabas Health IFPR on collaborations, to include data analyses, grant applications, etc.
