

Cooperman Barnabas Medical Center
Renal & Pancreas Transplant

As a Medicare-approved kidney and pancreas transplant program, we are required to provide you with our most recent one year patient and graft survival data.

The following information reflects outcomes for patients for the following time period:

July 1, 2021 and December 31, 2023

PEDIATRIC KIDNEY RECIPIENTS

% of Kidneys that were working at 1 Year after transplant

93.75% Estimated % at Cooperman Barnabas Medical Center

97.02% Expected %, as calculated by The Scientific Registry for Transplant Recipients

97.21% National % of all transplant centers

% of kidney patients who were alive at 1 Year after transplant

100.00% Estimated % at Cooperman Barnabas Medical Center

99.31% Expected %, as calculated by The Scientific Registry for Transplant Recipients

99.44% National % of all transplant centers

The “expected” calculations take into account the medical background and disease severity of the patients actually and specifically transplanted at Cooperman Barnabas Medical Center during the time period above.
