

RWJBarnabas Health's
Initial EMT Training Program Application

HEALTH AGREEMENT

If you are accepted into this program, you will be required to have your physician complete a Statement of Health. If you do not have the required vaccines and/or tests, you will need to schedule doctor appointments to get them completed.

Your physician will sign off to indicate:

- You are physically able to complete all tasks associated with this course including lifting up to 100 lbs., crawling on the floor, getting in and out of an ambulance, performing CPR, and maneuvering patients up and down stairs.
- You have the flu vaccine for the current flu season.
- You have completed or started your Hepatitis B vaccine. We do supply a waiver for students who wish to refuse this vaccine.
- You have had a negative TB test within the last year. This test is required.
- Whether or not you have ever tested positive for TB.
- You have had your MMR vaccine. This is required.
- Any other health conditions that we should be aware of.

You will type your name into our online application to indicate the student and parent/guardian where appropriate acknowledge that they are aware of the anticipated medical clearance needed for this course.
